TRẦN HIẾU KHOA

PHP INTERN

SUMMARY

I am going to study at Bach Khoa of inter-university system in 2023 and take IELTS certificate and my goal is to become a Full Stack Developer. To become a good programmer I have been working hard to learn from internet and experience from colleagues. I am now looking for an opportunity to devote my skills, enthusiasm, and creativity. I think this position would be a great fit with my skills and goals.
